Plans are being considered by the contest committee of the Chicago Automobile Club for the third annual interclub contest for the Chicago Automobile Club-Chicago Athletic Association trophy. The officials of the automobile club have asked the athletic organization officials to appoint a committee to meet the automobile club's contest committee for the purpose of selecting a date and arranging the details of this year's event.

To clean a carbureter of dirt open the aperture at the bottom and let the contents rife sut. If this does not have the desired effect it will be necessary to take the carbureter to pieces and clean each portion theroughly, especially the filter, which is apt to be choked. A tiny piece of grit or other obstruction may intermittently, totally or partially block the jet or the passage leading to it, being carried there by the flow of gasdene and dropping back when the pressure causes.

Agrating the flow will in that case he deceptive, as the mixing chamber will flood all right temporarily, but when the engine is started the floating particles will be drawn into the let. To remedy this condition the let all the removed, a thin wire or an accaviene burger cleaner passed through it and then beauer out. Needles should not be used on account of the risk of the end breaking in the let necessitating an enlargement of the hole and subsequent trouble with the carburetion.
